# MEETING ON EXPERIMENTAL AND TRANSLATIONAL RESEARCH IN HEAD AND NECK CANCER

12. Symposium of the Working Group Oncology

2. International Symposium on Immunosuppression and Immunotherapy in Cancer

**Dear Friends and Colleagues.**

It is our great pleasure to announce that the **Meeting on experimental and translational Research in Head and Neck Cancer** with scientific support of the Working Group Oncology will be held from **January 20 – 21, 2023 in Ulm / Germany.**

We cordially invite you to participate in this exciting event on head and neck oncology.

We were able to attract renowned experts with international reputation for this symposium. They will provide you with important insights into the rapidly expanding field of translational research in head and neck cancer.

Details about abstract submission and registration will soon follow on our homepage **[www.headneck-cancer.de](http://www.headneck-cancer.de)**

We are looking forward to receiving your valued contributions and welcoming you in person in Ulm!
